

FEBREZE & SWIFFER DAILY CLEANING

Febreze®
Fabric Refresher

Swiffer®
Sweeper &
Dusting Cloths

FREQUENCY OF CLEANING: Daily, as needed..

Febreze Fabric Refresher

Uses: Safely eliminates odors on fabrics, including smoke and odors caused by bacteria, mold and mildew.

Examples:

- Carpets
- Upholstered furniture
- Drapes
- Any fabric
- Air filters

Instructions:

1. Spray fabrics evenly until slightly damp.
2. Odors fade as the item dries
3. Use more for difficult odors.

Notes:

1. Febreze eliminates odors trapped in fabrics. Febreze is not a perfume cover-up. As the fabric dries, fabric and Febreze odors disappear. The odors won't come back, leaving the fabric odor-free.
2. Safe on virtually all fabrics. It does not yellow, tarnish or build up over time. Always test on a hidden area of fabric.

Swiffer Sweeper & Dusting Cloths

Uses: Removes dust, dirt and hair instead of stirring them up.

Examples:

- Furniture
- Hard surface floors
- Blinds / Mini-blinds
- Shelves
- Plants
- Walls
- Door and window frames
- Any place dust, dirt and hair collect

Instructions:

1. Wipe surfaces with the Swiffer dusting cloth.
2. For hard-to-reach areas or floor surfaces, attach Swiffer cloth to the Swiffer sweeper.

Notes:

1. Swiffer dusting cloths must be used on dry surfaces.
2. Do not spray anything on Swiffer dusting cloth.
3. **Note:** Be sure to use both sides of cloth. One cloth will clean large area or several restrooms.
