

# Showcase Your Higher Standard of Cleanliness

The GOJO Total Solution for Casinos

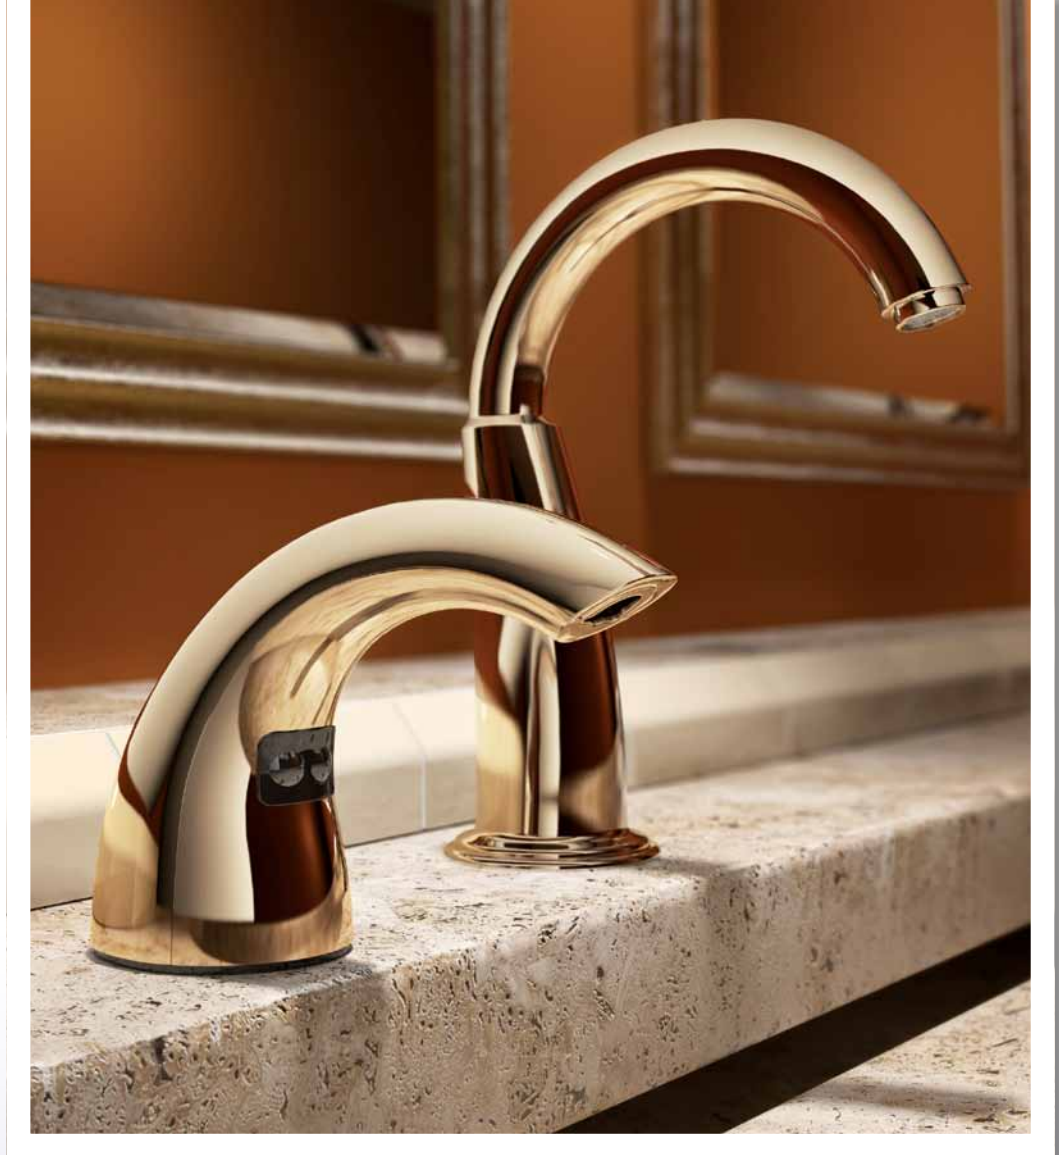

# Are your **casino restrooms** inviting return **visits?**

**“66 Percent  
of women report  
lack of cleanliness to  
be the most distressing  
aspect of a public  
restroom visit.”<sup>1</sup>**

Female visitors stated that dirty restrooms are a top reason they wouldn't return to a casino.<sup>2</sup> This matters because middle to senior-age women are a lucrative demographic in the casino business.<sup>3</sup>

*Premium touch free  
soap dispensers send

more modern than  
casinos without  
touch free systems.*
