GOJO® Foodservice
Hand Hygiene Program

Protect Your Employees

Reduce Your Risk In Employee Work Areas

As the hand hygiene experts, GOJO goes the extra step to ensure you have the most comprehensive hand hygiene program available for your business, including compliance monitoring tools, training programs, and industry-leading brands all designed with the Foodservice worker in mind.

- **MICRELL® Antibacterial Foam Handwash** – highly effective against bacteria commonly found in a Foodservice environment, with a light scent and effective degreasing agent. Superior efficacy compared to leading competitive products.
- **GOJO® Luxury Foam Handwash** – gentle on the skin – helps support compliance with good handwashing practices.
- **PURELL® Instant Hand Sanitizer Foam** – highly effective against bacteria, with emollients that leave skin feeling soft and smooth even after repeated use. Food Code Compliant.¹

GOJO offers a variety of state-of-the-art delivery systems, including our TFX™ Touch Free dispensers and FMX™ durable manual foam dispensers – all are easy to install, easy to use and easy to maintain.

Science Based Hand Hygiene Regimens For Your Protection

GOJO has conducted extensive research across a variety of handwash / hand sanitize regimens and found that they're not all the same.

Whatever type of food you serve, GOJO can develop a handwash / hand sanitize regimen to help reduce your risk, build compliance and protect your business.

1. Meets Food Code Hand Sanitizer criteria section (2-301.16) published by the FDA

Trust The Hand Hygiene Experts

No other company dedicates itself to the health and well-being of your employees' and guests' hand hygiene the way GOJO does.
