

The GOJO Hygiene Management System Tools & Training

A comprehensive program that supports effective and compliant hand hygiene.

TRAINING DVD AND GUIDE

- A language neutral training DVD shows why, when and how to use GOJO® E-rated products
- Trainers Guide to help you teach workers the program

NEEDS ANALYSIS SERVICE PROGRAM

A full service program that provides a complete assessment of skin care needs and delivers the right skin care regimen solution. The result is a customized professional skin care solution along with opportunities for inventory reduction, performance improvement and lower overall program cost.

DISPENSER LABELS

Visual cues of shapes, colors and numbers help workers identify and differentiate between products
