**Personal Care**

# Increase Productivity, Reduce Occupational Illness & Lower Costs

Effective cleansers, rich lather, clean fragrances, and TC® Signature Moisturizing Complex leave skin feeling clean and cared for, while improving the health of your employees.

Our comprehensive skin safety program helps reduce occupational dermatitis and the spread of germs to keep workers on the job, increasing productivity and profitability.

## Personal Health

- Effective, enjoyable experience encourages use
- Protected skin and clean hands promote health
- Better health means reduced absenteeism

## Economic Health

- Efficient product systems lower operational costs
- Reliable systems and healthy employees improve productivity
- Fewer compensation claims

## Environmental Health

- Green Seal™\*certified, protects the environment
- Biodegradable ingredients
- Recyclable refills and bottles, reduced packaging for low environmental impact

# Healthy Hands Are Productive Hands with ProRx™ Industrial Skin Care

## Personal Health

Total skin hygiene program to protect and clean hands helps prevent dermatitis.

## Economic Health

Concentrated formulas and adjustable, accurate portion control for low waste.

## Environmental Health

Setting the standard for environmentally responsible industrial skin care systems.

# Your Skin Health Prescription for Hard-Working Hands

Powerful cleansers that are tough on dirt yet gentle on skin, in a durable, reliable industrial skin care system.

- Effective, skin-friendly cleansers with no harsh solvents or petroleum distillates to encourage healthy hand washing
- Companion products of pre-work protection creams and post-work skin conditioners to keep skin intact and healthy
- TC® Signature Moisturizing Complex—Bamboo Extract & Aloe keeps skin smooth and refreshed
- Durable high capacity, low maintenance dispensing system designed for tough environments
- Up to 3,333 hand washes in a hygienic, recyclable refill
- Industry-leading environmental system with recyclable refills and bottles, biodegradable formulas, and low waste

**100%**  
of these hand  
soaps are readily  
biodegradable

## Delivering the Right Product for the Job

The ProRx™ complete skin care regimen includes heavy-duty sunscreen and protective creams, hand cleaners with all-natural scrubbers, antibacterial and body washes, waterless cleaner, and deep conditioning cream—in pump bottles, tubes, and refill sizes to meet your facility's needs.

# Complete Your Skin Care Program with Rubbermaid FLEX™

## Personal Health

Quality skin care products in a hygienic system encourages good personal hygiene.

## Economic Health

Concentrated formulas and adjustable accurate portion control provides best cost in use.

## Environmental Health

Reduced chemical and packaging waste helps earn LEED credits.

# One Manual System, 100 Flexible Solutions

A perfect balance of quality, cost, and low environmental impact, featuring foam or liquid refills in one manual dispenser.

- One innovative dispensing system that delivers foam and liquid soap, sanitizers, and skin lotions in 3 dose sizes to fit any need
- Quality formulas with rich lather and delightful fragrances, featuring our TC® Signature Moisturizing Complex
- Transitional styling looks great in both contemporary and traditional spaces and keeps washrooms looking clean
- Hygienic, disposable refill for trouble-free operation
- Up to 3,250 hand washes per refill

ADA COMPLIANT

## Rubbermaid Flex™— For Any Room, Anywhere

Rubbermaid Flex™ Skin Care System provides a complete skin care solution, including hand wash and body shampoo, antibacterial hand wash, alcohol and alcohol-free hand sanitizers, and moisturizing skin lotion—in pump bottles and refill sizes for offices, hallways, and restrooms to promote good hand hygiene everywhere!

## Touch-Free Solution AutoFoam Wall Mount System

Attractive, contemporary design enhances décor throughout your facility, delivering luxurious foam soap and sanitizer formulas.

- Including Green Seal™\* certified and antibacterial soaps, alcohol and alcohol-free hand sanitizers
- Contemporary “clean look” dispenser available in a variety of color combinations to match any décor
- Industry-leading battery life reduces change-outs and helps protect the environment
- Up to 2,750 hand washes per hygienic refill
