

TC SKINCARE SYSTEMS

For K-12 School Systems

Smarter Prevention

Smarter Skin Care.

With more than 20 years of skin care experience, you can trust Rubbermaid TC® Skin Care Systems to provide the same innovation and commitment to the personal care of your staff, students, and visitors as we give to the care of your facilities.

Facility Care

Personal Care

Create a Safe, Healthy Learning Environment

Clean inviting system, fun foaming lather, and antibacterial protection, with our TC® Signature Moisturizing Complex that encourages use and leaves skin feeling clean and cared for, improving the health of your school and community.

Complete personal hygiene program helps prevent illness, reduce absenteeism, and motivate students and staff.

Personal Health

- Enjoyable experience encourages hand washing
- Cleaner hands protect health
- Better health means reduced absenteeism

Economic Health

- Reliable, efficient systems that lower operational costs
- Security features help deter vandalism
- Concentrated formulas give more hand washes per refill and reduce labor with fewer change-outs

Environmental Health

- Green Seal™*certified soaps, safer for the environment
- Hypoallergenic ingredients, safer for users
- Reduced packaging for low environmental impact

Balance Quality, Cost, & Style with Rubbermaid Flex™

Personal Health

Simple, accessible and hygienic systems promote good personal hygiene to keep students healthy.

Economic Health

Concentrated formulas and adjustable, accurate portion control provide best cost in use.

Environmental Health

Reduced chemical and packaging waste supports green, clean school initiatives.

One Manual System, 100 Flexible Solutions

A perfect balance of quality, cost, and low environmental impact, featuring foam or liquid refills in one manual dispenser.

- One innovative dispensing system that delivers foam and liquid soap, sanitizers, and skin lotions in 3 dose sizes to fit any need
- Quality formulas with rich lather and delightful fragrances, featuring our TC[®] Signature Moisturizing Complex to encourage use and promote healthy hygiene
- Transitional styling looks great in both contemporary and traditional spaces and keeps washrooms looking clean
- Hygienic, disposable refill for trouble-free operation
- Up to 3,250 hand washes per refill
- Attractive, durable dispensers with antimicrobial push bar hold up under frequent use and deter vandalism

ADA COMPLIANT

Proven To Reduce Absenteeism

Alcohol-free and alcohol-based hand sanitizers in refills and portable bottles for classrooms and hallways to boost hand hygiene between washings.

Rubbermaid FLeX™—For Any Room, Anywhere

Rubbermaid FLeX™ Skin Care System provides a complete skin care solution, including hand wash and hand & body shampoo, antibacterial hand wash, alcohol and alcohol-free hand sanitizers, and moisturizing skin lotion in easy-to-use bottles and portable dispensers to increase staff and student hygiene everywhere!

Meet Your High Capacity & Heavy-Duty Hand Cleansing Needs with ProRx™ Skin Care Systems

Personal Health

Wide range of hand cleansers, body wash, and protective creams for healthy skin.

Economic Health

Concentrated formulas and adjustable, accurate portion control provides lowest cost in use.

Environmental Health

Recyclable refills and biodegradable soaps support green, clean initiatives.

Tough on Dirt, Gentle and Caring on Skin

ProRx™ Skin Care Systems deliver high quality, high capacity skin cleansing and care to keep hard-working students and staff healthy.

- Heavy-duty cleaners are tough on dirt but not on skin—our TC® Signature Moisturizing Complex leaves hands feeling soothed and refreshed
- Durable dispensers with “clean look” styling and antimicrobial push handle resists vandalism
- Up to 3,333 hand washes reduces labor with fewer change outs—up to 4 times more hand washes per refill than the competition†
- Ideal higher capacity for locker room showers and sports facilities
- Effective heavy duty cleansers for student workshops, art and vo-tech areas
- Complete range of heavy-duty hand cleaners and outdoor worker protection for maintenance and grounds staff

100%
of these hand
soaps are readily
biodegradable

ProRx™ Skin Care Systems—Protect, Clean, Care

The ProRx™ complete skin care regimen includes heavy-duty sunscreen and protective creams, hand cleaners with all-natural scrubbers, antibacterial and body washes, waterless cleaner, and deep conditioning cream—in pump bottles, tubes, and refill sizes to meet your facility's needs.

†Based on internal testing.
