

**It's better
business.**
Hands down.

TorkSelect Bath Tissue Dispensing Systems

TorkSelect™ Bath Tissue Dispensing Systems

Tork offers a variety of bath tissue dispensing options to meet all your washroom needs.

- “Never-empty” bath tissue dispensing
- Hygienic covered roll for reduced risk of cross-contamination
- Space-saving footprint
- One clean look; every product in the Tork family is designed to complement your space—and each other

Tork Elevation Folded Bath Tissue Dispensing Systems

Introducing a system to decrease labor and maintenance in the restroom. The Tork Elevation Folded Tissue Dispenser controls consumption which means less waste. And because it's coreless, it's easy to top off with refills so there is less effort, less worry, and less mess.

Less waste – One-at-a-time dispensing means less paper being used, which means less waste, and cost.

Lower cost – Guaranteed 25% reduction in overall usage vs. conventional bath tissue.

Small footprint – The slim, coreless design takes up less space, fits anywhere, and eliminates core waste. Plus, a 100% recycled refill means lower impact on the environment.

Less maintenance – The coreless dispenser means it's easy to install, clean, and refill at anytime. Seamless design means one less groove for dirt to hide.

Two-in-one tissue – Due to its folded style, the versatile tissue dispenses as a two-ply sheet for superior dispensing and more comfortable use.

Variety of uses – This folded tissue can also be used near a counter as a cosmetic or facial tissue.

TorkSelect™ Elevation Folded Bath Tissue—T3 System

SKU	Description	Color	Size H x W x D (inches)			Dispensers/Case

Tork Jumbo and Jumbo Mini Bath Tissue Dispensing Systems

Tork Jumbo Bath Tissue dispensers simplify and complement any environment, providing a clean, hygienic appearance. Our new design ensures easy and intuitive maintenance, refilling and use. A perfect choice for high-traffic washrooms as well as environments where efficiency and reduced cost are priorities. Rolls are protected so there is less waste, improved hygiene and reduced pilferage.

Less maintenance – Large capacity rolls allow you to service high-traffic areas without adding extra maintenance check-ins. Lock operates in key or keyless push button mode.

Less waste – The paper brake prevents overspin of each roll which means less waste, clutter and overall cost.

Fewer germs – The reserve roll in the Mini Twin remains protected until the first one is completely gone, ensuring it stays hygienic.

One clean look – Every product in the Tork family is designed to complement your space—and each other.

Tork Elevation High-Capacity Bath Tissue Dispensing System

The Tork High-Capacity Bath Tissue Dispensing System is a perfect fit for washrooms with limited space. The innovative auto-transfer feature promotes hygiene and reduces refill maintenance time.

Less waste – Prevents waste by dropping the reserve roll only after the primary roll is depleted

High capacity – Holds up to 2,000 two-ply sheets or 4,000 one-ply sheets. Contains 60 percent more tissue than conventional bath tissue dispensers.

Lower cost – Permits quicker, easier loading and fewer refills, reducing maintenance time.
