# Introducing the Nassco® Pro Series Brand

Nassco® premium Pro Series items help create efficient, safer, healthier, and cleaner spaces for facilities and organizations.

From public office space to backroom operations, Pro Series brings a competitive edge to businesses. The Pro Series brand is just one more way Nassco® is delivering on our promise to help customers be more productive.

## ALL-PURPOSE CLEANERS

### 25 Lavender Cleaner (concentrate)

Multi-purpose cleaner with a pleasant, long-lasting lavender fragrance. pH neutral product cleans and deodorizes in a single time-saving step. Use on a variety of surfaces including floors, walls, woodwork and other hard surfaces. Dilute 1:128 to 1:8 based on soil level.

### 20 Oxygenated Cleaner (concentrate)

Versatile cleaner works on a variety of soils and surfaces. Fortified with hydrogen peroxide and natural citrus solvent, it can be used for mopping floors, removing water spots on glass and fixtures, carpet/upholstery/laundry spotting, cleaning grout, and even as an extraction cleaner for carpets. Dilute 1:128 to 1:8 for floors and general cleaning, 1:10 to 1:8 for degreasing and spotting, 1:128 for glass, and 1:64 for extraction cleaning.

### 21 All-Purpose Cleaner (aerosol)

The foaming action of 21 All-Purpose Cleaner cleans and deodorizes hard surfaces with easy spray and wipe. Removes dirty hand prints from walls and doors, scuff marks on floors, bathtub rings, soot, grease, smoke film, oil, many inks, light carbon, dust, lipstick, and crayon marks.

## CLEANERS/DEGREASERS

### 60 Heavy Duty Degreaser (concentrate)

Concentrated, super powerful formulation for the toughest of cleaning jobs. Butyl-based degreaser easily cuts through heavy buildup of dirt, oil, grease, grime, ink, and food service soils. Ideal for manufacturing, industrial & institutional cleaning, scrubbing concrete floors, pressure washing, engine degreasing, parts washing and other challenging cleanup jobs. Dilute 1:64 to 1:10 for general degreasing and 1:256 to 1:100 for pressure washing.

### 61 Heavy Duty Degreaser (RTU)

Ready to use butyl-based formula for off-the-shelf convenience, yet still delivers quick cleanup of industrial and food service greases and oils. Versatile cleaner works great on dirt, carbon, gum, wax, tire and rubber marks, asphalt, engines, and other shop greases. No need to dilute - simply grab and go.

## GLASS CLEANERS

### 51 Glass & Hard Surface Cleaner (RTU)

Cleans soils and oils from windows, mirrors and more. A spray & wipe, non-ammoniated product for fast, streak-free cleaning of glass surfaces, display cases, counter tops, appliances, fixtures, chrome, stainless steel and other metals. VOC compliant.

### 50 Window & Glass Cleaner (aerosol)

High foaming glass cleaner with long-lasting cling is fantastic for vertical surfaces. Use to clean and polish mirrors, windows, windshields, and other glass. Spray & wipe formula leaves no film and will not drip, run or streak. Dries quickly and leaves a pleasant, fresh aroma.

Item #	Description	Pk/Qty

## FLOOR CARE

### 150 Heavy Duty Floor Stripper

Powerful, highly aggressive stripper. Powerful enough to remove multiple layers of finish, build-up, or highly burnished finish. Eliminates or greatly reduces machine scrubbing. Low foam for easy application with automatic scrubbers. Dilute 1:6 in cold water.

Item #	Description	Pk/Qty
N-02423	150 Heavy Duty Floor Stripper	1 GAL 4/CS
N-02424	150 Heavy Duty Floor Stripper	5 GAL PAIL

### 155 High Performance Floor Finish

Combines deep gloss, high durability and ease of use. Acrylic polymers produce a beautiful, long-lasting shine with black mark and scuff resistance. Ideal for limited maintenance programs yet also responds to daily burnishing. Dries in 30 minutes under normal conditions. Use on vinyl, rubber, linoleum, terrazzo, quarry tile and sealed concrete floors. Slip resistant with 22% solids.

Item #	Description	Pk/Qty
N-02425	155 High Performance Floor Finish	1 GAL 4/CS
N-02426	155 High Performance Floor Finish	5 GAL PAIL

### 28 Neutral Floor Cleaner (concentrate)

Rinse-free convenience and pH neutral safety. 28 Neutral Floor Cleaner is a great choice for daily maintenance of floors, walls, and woodwork surfaces not harmed by water. Won't dull or harm floor finishes and is safe for painted surfaces. Highly concentrated. Dilute 1:128 to 1:32 based on soil level, or 1:128 to 1:64 in automatic scrubbers.

“Nassco really saved us a lot of time, a lot of energy, a lot of work”

### 95 Defoamer

Eliminates troublesome foam in return/recovery tanks of floor and carpet care equipment. Controls foam caused by detergents, proteins, and other soils. Effectively defoams in high and low pressure applications. Improves efficiency of machine operation, reducing down time and repairs.

Item #	Description	Pk/Qty
N-02364	95 Defoamer	1 GAL 4/CS
N-02365	95 Defoamer	1QT 12/CS

### 130 Neutralizer

Removes ice melt residue and white haze from carpets and floors. Ensures superior gloss, durability and appearance. Use between floor stripper and floor finish to protect and extend life of floor finish by removing surface alkalinity and abrasive residue. Dilute 1:64.

Item #	Description	Pk/Qty
N-02363	130 Neutralizer	1 GAL 4/CS

For more information on how to care for an select floor care products, see the Nassco® Hard Floor Care Solutions catalog.

## TOILET BOWL CLEANERS

Choose your bowl cleaner based on water quality/hardness and the minerals it contains. The Nassco® Pro Series bowl cleaner line offers 4 options, from high to low cleaning aggressiveness.

### 01 Low Acid Bowl Cleaner

Medium aggressive cleaner, with 9% HCl - for regular cleaning and deodorizing of bowls and urinals with mild stains. Works well on rust, limescale and other white mineral scale deposits.

### 02 Low Acid Bowl Clinging Bowl Cleaner

Medium aggressive clinging formula with 9% HCl - for mild stains on vertical surfaces. Thickened clinging action provides additional dwell time for more effective cleaning of bowls, urinals and porcelain.

### 03 Clinging Bowl Cleaner

Least aggressive with 20% phosphoric acid - the safest option for hard or soft water conditions. Clinging formula increases contact time for more effective cleaning of rust, water scale and uric acid buildup.

### 04 High Acid Bowl Cleaner

Most aggressive bowl cleaner, with 24% HCl - for restorative cleaning of toilet bowls, urinals and porcelain with tough stains. Use in areas with very hard water to quickly clean rust, red scale and limescale deposits.

Item #	Description	Pk/Qty
N-02002	01 Low Acid Bowl Cleaner	1 QT 12/CS
N-02003	02 Low Acid Clinging Bowl Cleaner	1 QT 12/CS
N-02005	03 Clinging Bowl Cleaner	1 QT 12/CS
N-02004	04 High Acid Bowl Cleaner	1 QT 12/CS

## DRAIN CLEANERS

### 15 Drain Opener

Super-strength, odorless formula opens drains fast. Dissolves grease, hair, food, paper, and other organic matter in clogged or slow running drains, grease traps and sumps. Penetrates water, going directly to the source. Non-fuming with no acid or bleach.

### 10 Bioenzyme Cleaner/Maintainer

Natural bio-enzymatic action breaks down organic materials in drains and pipes to keep them flowing and odor free. Controls odors in dumpsters, floors and other areas where odors are a problem, and can also be used to spot odors in carpets and laundry. Non-acid formula with no harsh chemicals. Use manually or with automatic drain pumps. Can be diluted 1:64 to 1:10 for floor cleaning and deodorizing.

Item #	Description	Pk/Qty
N-02007	15 Drain Opener	1 QT 12/CS
N-02008	10 Bioenzyme Cleaner/Maintainer	1 QT 12/CS

## RESTROOM CLEANERS

### 05 Shower & Tile Cleaner (concentrate)

High foaming acidic cleaner works fast to remove soap scum and hard water scale from ceramic walls, fixtures and grout. Foam clings to vertical surfaces for improved cleaning action. Use in showers and restrooms on chrome, stainless steel, fiberglass, grout, and porcelain. Dilute 1:20 or 1:4, or can be used full strength as an RTU for heavy soils.

### 06 Non-Acid Disinfectant Bathroom Cleaner

Disinfectant - Cleaner - Fungicide - Mildewstat - Virucide\* - Deodorizer. Cleans, deodorizes and disinfects most hard, nonporous, washable surfaces. Use in bathrooms, hospitals, medical, and dental offices, nursing homes, athletic facilities, hotels and motels. Use on washable hard nonporous, nonfood contact surfaces of countertops, sinks and tables, toilet bowl exteriors, and toilet bowl surfaces. Kills Pandemic 2009 H1N1 Influenza A Virus (Swine Flu). Inhibits the growth of mold and mildew.

Item #	Description	Pk/Qty
N-02006	05 Shower & Tile Cleaner	1 QT 12/CS
N-02367	06 Non-Acid Disinfectant Bathroom Cleaner	1 QT 12/CS

## HAND AND SKIN CARE

### 40 Foamy Hand Soap

High foaming hand cleanser is pH balanced for hands and skin. Rich, stable lather leaves skin clean and refreshed. Use in refillable foam soap dispenser programs in offices, schools, clinics, industry, health care, fitness centers, preschools and food service. Tropical Bloom fragrance.

### 41 Hand, Hair & Body Soap

Creamy, pearlized "all-over" cleaner. Tough on soil, yet pH balanced formula is gentle on hands, hair and skin. Rich, luxurious lather makes this item an excellent choice for offices, schools, clinics, clubs, lodging, and athletic facility restrooms and locker rooms. Fresh Floral scent.

### 43 Luxury Hand, Hair & Body Soap

Creamy white, pearlized lotion for use as a premium hand soap, or as a high-foaming shampoo and body wash. Mild balanced pH is tough enough for cleansing and removing soils, yet leaves skin & hair clean and refreshed. Rich, luxurious lather with a piña colada scent.

N-02117	86 Disinfectant Deodorant - Country Fresh	15.5 OZ 12/CS

## DELIMERS / DESCALERS

The Nassco® Pro Series line offers two industrial delimers/descalers for commercial kitchen, foodservice operations and HVAC applications. Choose your delimer based on the water quality/hardness level in your area and facility, and on the application or surface being cleaned.

### 73 Delimer (concentrate)

Medium aggressive, low foaming, phosphoric acid formula – dissolves and removes mineral deposits like limescale, rust and hard water scale. Excellent product for use on acid-safe kitchen appliances and equipment, dishmachines, kettles, boilers, HVAC, and for CIP. Dilute 1:64 to 1:5 based on mineral buildup level. For dishmachines, add 1 gallon to tank.

### 74 Heavy Duty Delimer (concentrate)

Highly aggressive, industrial strength, concentrated hydrochloric acid cleaner – designed to quickly and efficiently remove the toughest of rust, lime, calcium and heavy mineral deposits on industrial and institutional equipment. Great for cooling towers, heat exchangers, piping, concrete etching, tanks and CIP. Dilute 1:64 to 1:5.

Item #	Description	Pk/Qty

N-02021	74 Heavy Duty Delimer	1 GAL 4/CS
N-02126	74 Heavy Duty Delimer <b>LABEL</b>	EACH

\*See pg. 11 for bottles/sprayers

## OVEN AND GRILL CLEANERS

### 70 Oven & Grill Cleaner (RTU)

Foaming, low odor cleaner works in a variety of food service applications to quickly loosen, lift and remove baked-on carbonized soils from equipment like grills, ovens, rotisseries and hoods. High foam formula clings to walls, wire racks, trays and other hard to clean surfaces for more effective cleaning in less time, and with less labor.

### 71 Heavy Duty Oven & Grill Cleaner (aerosol gel)

Heavy-duty gel cleaner works on grease, caked-on foods and other cooking soils. Thickened gel application clings to vertical surfaces with no running or dripping. Excellent for grills, rotisseries, stove burners, electric fry pans and other cookware that is resistant to caustics. It penetrates, emulsifies and holds soils – simply wipe surfaces clean with water.

## SPECIALTY CLEANERS

### 92 Dust Mop Treatment (aerosol)

Gathers dust and attracts it to mops and cloths - for cleaner dust-mopped surfaces! Oil based formula is great to use on floors, wood, concrete, auto interiors, and more. Easy spray-on formula has lemon fragrance. VOC compliant.

### 93 Lemon Furniture Polish (aerosol)

Furniture polish with lemon oil leaves a dust free surface on wood, leather, formica and more. Dusts, cleans, and polishes in one application, removing soils, finger marks and smudges. Will not build up or leave a heavy residue. Spray on and wipe off. Fresh lemon fragrance.

### 94 Chewing Gum Remover (aerosol)

Amazing product removes candlewax, putty and other gummy substances. Spray-on formula freezes substances to - 40°F for fast, easy removal with a scraper. No staining or chemical residue is left behind.

Item #	Description	Pk/Qty
N-02122	92 Dust Mop Treatment	14 OZ 12/CS
N-02120	93 Lemon Furniture Polish	19 OZ 12/CS
N-02121	94 Chewing Gum Remover	6.5 OZ 12/CS

## STAINLESS STEEL CLEANERS

### 90 Stainless Steel Cleaner & Polish (aerosol)

Clean elevators, escalators, metal doors and more with oil-based 90 Stainless Steel Cleaner & Polish. It polishes and protects metal surfaces without leaving an oily residue. Resists fingerprints, grease and water spatter.

### 91 Stainless Steel Cleaner & Polish Wipes

Convenient pre-moistened wipes clean, polish, and brighten stainless steel while preventing water marks and corrosion. Citrus solution removes hard water stains, smudges, fingerprints and residue. Restores brilliant shine to dishwashers, refrigerators, elevator doors and other stainless surfaces.

Item #	Description	Pk/Qty
