# Introducing Nassco® Pro Series Restroom Systems

## Another great system from the brand you know and trust: Nassco® Pro Series

Nassco® is the place Where People and Productivity Meet™. From public spaces to backroom offices, our Pro Series brand is one way we deliver on our promise to help you be more productive. Pro Series Restroom Systems bring a competitive edge to your organization with improved worker productivity and style.

### Enhance Your Facility's Image

A clean, stylish restroom sends a positive message to your employees and customers regarding your business and brand. Installing Nassco® Pro Series restroom dispensers will instantly boost your facility's image.

### Designed to Increase Worker Productivity

Nassco® Pro Series restroom dispensers are designed with easy installation and loading features that reduce labor and service time. Tissue and towel stub roll features ensure fewer refills with no paper waste, while dispenser paper level windows provide at-a-glance intel for housekeeping professionals.

### Products that Care for the Environment

Nassco® Pro Series tissue and towel products contain 100% Recovered (recycled) Fiber materials and a minimum of 40% Post-Consumer Fiber materials. This meets or exceeds the EPA Recommended Recovered Material Content Ranges.

### Made Locally

The entire Nassco® Pro Series offering of restroom tissue and hand towels – including all of our dispensers – are made in the heart of the Midwest.
