We’ve filled the hole in the tissue with even more tissue

KLEENEX® and SCOTT® Coreless Tissue

The pleasing look of a standard size roll with high-capacity features

- **Easy Handling & Storage** – Small, poly-wrapped bundles of 6 rolls help to assist in product handling and transport in addition to facilitating storage when space is a premium.

- **Waste Reduction** – 100% solid tissue rolls minimize stub roll waste. Also, the elimination of inner cores and individual roll paper wrap results in less packaging waste than standard roll tissue.

- **Fewer Run-outs** – High-capacity rolls are nearly 75% longer than standard roll bath tissue†, minimizing maintenance time due to less dispenser refills needed.

- **Reduced Pilferage** – Non-traditional product design deters theft and pilferage.

† KLEENEX® COTTONELLE® Coreless, 800 sheets vs. KLEENEX® COTTONELLE® 2-ply standard roll, 505 sheets. SCOTT® Coreless, 1000 sheets vs. SCOTT® 2-ply standard roll, 605 sheets.
