New standards for performance and sustainability

- **Performance Guaranteed** - Both the manual ADX and touch-free LTX systems carry the GOJO Lifetime Performance Guarantee - a dependability promise that even includes the batteries in the LTX system.
- **Easy Maintenance** - Large sight window and skylight, clear refill bottles and vivid soap colors work together for at-a-glance checking of refill status.
- **GOJO SANITARY SEALED™ Refills** - Snap into place quickly and easily, minimizing labor time while protecting users from the contamination risks of bulk soap.
- **Smart Trouble-Free Electronics** - LTX dispensers are optimized for minimal energy use. The batteries are included and pre-installed for easy system activation.

GOJO and PURELL brand products are part of a complete line of gentle and effective hand hygiene products. For more information, call 800-321-9647 or visit www.GOJO.com.
