Compare the GOJO® CX™ System to traditional counter mount dispensers:

	GOJO CX System	Traditional Counter Mount Dispensers
Soap	Luxurious foam soap	Liquid soap
Servicing	Simple - just snap in a sanitary-sealed refill	Time-consuming and messy top fill - you know system is full when it overflows
Under Sink Area	Neat and clean	Messy - soap build-up
Reliability	Dispensers are guaranteed for life	Dispensers frequently need to be repurchased
Soap Reservoir	New bottle and pump with each refill	Continually reused - leads to clogs, drips, and possible product contamination

Chrome finish complements other restroom fixtures

High capacity 1500 mL refill

- 1500 dispenses per refill
- Less chance for system to be out of soap
