Coreless Bath Tissue & Dispensers

Benefits environment, operationally efficient and helps enhance image.

Compact[®] Coreless Tissue Systems

Compact[®] gets a green light

An ever-growing number of eco-sensitive companies are embracing our Compact dispensers and coreless tissue systems to help reduce their environmental footprint. This innovative line of dispensers is also saving them time and money by helping minimize roll changes and storage costs.

The Compact product line offers multiple solutions to accommodate the needs of any facility. Now, more than ever, it's time to discover why Compact is on a roll.

Helps Reduce Waste:

Compact tissue has 95% less packaging waste per case than Georgia-Pacific standard roll bath tissue.

EPA Compliant—Recycled:

Bath tissue contains at least 20% post-consumer recycled fiber. Meets or exceeds EPA Comprehensive Procurement Guidelines.

*Our coreless Compact[®] solutions can make 119 tons of paper and packaging disappear from your waste stream each year**

* Based on using 28,000 cases of coreless tissue per year.

The Compact case study

At Georgia-Pacific we're committed to providing you with innovative dispenser solutions. The fact is that no one invests more time and effort in the coreless dispensing platform than we do. Our Compact dispensers and bath tissue provide a perfect example: These products eliminate 95-percent of the packaging waste associated with standard bath tissue. The bottom line is that each case of Compact coreless bath tissue can eliminate as much as 8.5 pounds of waste when compared to using a case of Georgia-Pacific standard roll bath tissue.

The green facts

We wrap each case of our coreless bath tissue in recyclable material. So in addition to helping the environment, Compact coreless tissue will also cut your storage requirements by up to 50 percent by eliminating bulky cardboard packaging.

Compact benefits our environment

Compact coreless tissue systems help minimize your impact on the environment by using recycled fiber and helping to reduce waste

meets EPA guidelines

Our coreless tissue meets EPA guidelines for post-consumer fiber content

helps reduce waste

Eliminates roll cores, cardboard shipping boxes and individual product wrapping

near 100% utilization

Reduces and can help eliminate stub roll waste through dispensing solutions that require complete roll usage

One Case of Waste—
Compact vs. Standard Roll Bath Tissue

More ways to be green

Compact® coreless, Compact Quad™ dispensers maximize your reduction efforts and your savings. Compact Quad is the ultimate tissue dispenser for high traffic areas, such as large office buildings, sports stadiums, or tourist attractions.

Save more with four

higher capacity

Holds four large-diameter coreless rolls

Dispenses up to 6,000 2-ply sheets or 12,000 1-ply sheets between refills

helps minimize tabbing

Rolls face forward for easy access

dependable

Roll-advancing system

easily installed

Mounts on all washroom surfaces in minutes

easy to swap

Mounting holes identical to Compact High Capacity Dispenser

sleek and stylish

Available in Translucent Smoke, Splash Blue and Stainless Finish

More green options, more green flexibility

Angel Soft ps® Compact® gives you a new and softer EPA Compliant option for recycled fiber. It delivers the same environmental benefits of our traditional Compact coreless bath tissue with improved two-ply softness. Angel Soft ps Compact rolls contain a minimum of 20 percent post-consumer recycled fiber. And one case will eliminate 95 percent of standard tissue packaging waste by eliminating cores, corrugated boxes, and individual roll wrapping. Angel Soft ps Compact even lowers building management costs by increasing operational efficiency. This high-density product helps reduce storage needs by up to 50 percent and lowers your cost per roll.

Angel Soft compact^{PS}

Compact Vertical Dispenser

Controls labor costs by dispensing two large diameter coreless bath tissue rolls that allow for nearly 100% utilization

Stainless steel version coordinates with enMotion® Recessed Automated Touchless Towel Dispenser and other stainless product offerings. Also offered in Splash Blue and Translucent Smoke

Sleek and sanitary design that minimizes the chance of placing unsanitary objects on top of dispenser

Improved spindle design makes loading rolls easier

Compact Side-by-Side Dispenser

Controls labor costs by dispensing two large diameter coreless bath tissue rolls that allow for nearly 100% utilization

Upgrades maximize operational efficiencies

Unique locking cabinet prevents theft

Compact® products offer flexibility to meet the needs of any customer application

Customizing is as easy as 1-2-3

Step 1—Choose your dispenser*

| SKU | Product Description | Color | Width / Depth / Height | Items Per Case | Case Wt (lbs) | Case Cube (cubic ft) |
|----------------------|-------------------------------|-------------------|------------------------|----------------|---------------|----------------------|
| Compact Quad™ | | | | | | |
| W 56746 | Compact Quad Tissue Dispenser | Stainless Finish | 11.75" / 6.9" / 13.25" | 1 | 4.62 | .715 |
| W 56743 | Compact Quad Tissue Dispenser | Splash Blue | 11.75" / 6.9" / 13.25" | 1 | 4.62 | .715 |
| W 56744 | Compact Quad Tissue Dispenser | Translucent Smoke | 11.75" / 6.9" / 13.25" | 1 | 4.62 | .715 |
