

SUPPORT GOOD HANDWASHING PRACTICES.

MICRELL® is Gentle Enough for Frequent Use!

Reduce the risk of foodborne illness

Handwashing is the single most important thing your employees and guests can do to prevent the spread of germs.

MICRELL Antibacterial Foam Handwash offers a high efficacy, high-quality, rich foaming formula that encourages frequent handwashing.

**Now Available
in Touch Free
or Manual
Dispensing
Systems**

Protect your employees and guests from germs that may cause illness

- Created specifically for foodservice environments
- Effective in killing the most common bacteria found in Foodservice environments
- Fast-acting antibacterial ingredient
- Pleasant floral fragrance
- Effective degreasing agent
- Available in TFX™ Touch Free or FMX™ Manual Foam Dispensing Systems

Follow a Comprehensive Strategy to Build Hand Hygiene Compliance and Reduce Risk in Your Restaurant.

MICRELL® brand products are part of a complete hand hygiene regimen that includes handwashing and hand sanitizing for maximum results. Whatever type of food you serve, GOJO can develop a handwash / hand sanitize regimen to help reduce your risk, build compliance and protect your business.
