Tork centerfeed dispensing systems

When you need the most flexible system, choose from a wide variety of Tork centerfeed dispensing options with a range of capacities, colors and styles . . .

Tork Elevation Centerfeed Towel Dispensing Systems

Sleek black or white dispensers complement any environment, providing a clean, hygienic appearance. The design ensures easy and intuitive maintenance, refilling and use. The enhanced Pro feature enables an easy, one-handed operation and controlled consumption (limits over consumption and limits waste). Ideal for hand and light surface wiping.

Tork Watertight Centerfeed Towel Dispensing System

This water-resistant model keeps paper towels dry, even during washdowns. Manual feed knob is simple to operate for easy start-up after washdowns and reloading. The optional mounting bracket makes it convenient to move the dispenser for cleaning and sanitizing which helps reduce cleaning time.

Tork Performance Centerfeed Wiper Dispensing Systems

Durable dispensers, ergonomically designed to enhance performance. High-performing dispensers in either red/black or teal/white color combinations are optimized for Tork wipers and support the user in the task at hand. Great for cleaning and drying objects.

Tork ShopMax Buckets and Boxes

These convenient centerfeed packages are perfect when you need a portable solution for your wiping needs. Portion controlled for one wipe-at-a-time dispensing. Convenient solution and time savings – clean hands and surfaces are just a wipe away for on-the-go, on-site professionals since no water or cleanser is required.

To help select the right centerfeed system for your needs, consider the following questions:

1

Where is the dispenser being used?

Portable or Fixed

Who will be using the dispenser?

Employee or Patron

2

3

What are your main tasks & applications?

Mostly hand wiping or mostly surface wiping/cleaning

How much capacity do you need?

Low (M1)
Medium (M2)/(W22)
High (W2)

4
