

**TORK**

**It's better  
business.**  
Hands down.

# Tork wipers and dispensers

Foodservice, automotive, transportation, industrial, and healthcare

# Providing High-Quality, Wiping Solutions

High-quality Tork wipers not only do a better job with less effort needed, they also help you save money.

## Reduce consumption

Fewer wipers are needed to attain the desired result.

## Reduce maintenance

The need for refilling and maintenance will be lower, which leads to lower labor costs.

## Variety

- From light duty wiping to heavy duty tasks
- Dispensing options to fit various environments
- Products designed for specific customer tasks

## Performance

Tork wipers are free of contaminants, consistent in size and more absorbent than textile competitors with no hidden costs.

## Quality

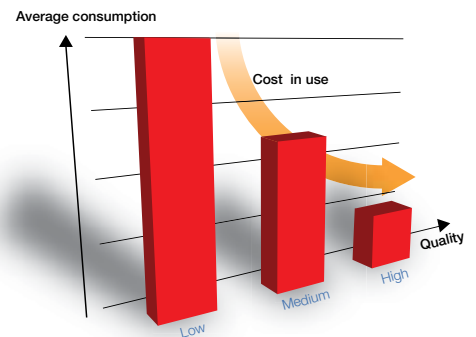

Wiper products especially chosen for strength, speed and absorbency.

## Environmentally-responsible products

Tork wipers are designed to meet specific requirements and have the lowest environmental impact. A variety of Tork Wipers are EcoLogo<sup>CM</sup> certified.

## Bottom Line

Tork wipers of a higher quality provide a more cost effective solution for your wiping needs.

**Bulk Rags** can vary in color, size and material which impacts performance and creates waste, driving up costs.

**Rental Shop Towels** can contain residual grease and oil and chemicals that inhibit performance and absorption.

question

1

## What is your work environment?

Are you at a workstation where you and others need equal access to a dispenser, or do you need to move around to carry out different tasks?

### Mobile

Ergonomic design allows you to conveniently move the dispenser to where you need it.

### Fixed

A mounted dispenser is always ready when you need it.

question

2

## What are your main tasks and applications?

Do you want a wiper for dry or wet wiping, cleaning to remove oil and grease, or for polishing tasks?

Select a wiper that is ideal for the job at hand, with properties such as strength, absorption, bulk, or low lint. Our range of products allow you to choose the right product and format to give you maximum flexibility.

Tork wiper qualities:

<p><b>Universal 300 series</b> Light Duty</p> <ul style="list-style-type: none"> <li>• Dry wiping</li> <li>• Hand wiping</li> <li>• Single use</li> <li>• Glass cleaning</li> </ul>	<p><b>Advanced 400 series</b> Medium Duty</p> <ul style="list-style-type: none"> <li>• Wet cleaning</li> <li>• Hand wiping</li> <li>• Multiple use</li> <li>• Great with grease and oil</li> <li>• Glass cleaning</li> </ul>	<p><b>Premium 500 series</b> Heavy Duty &amp; Extended Use</p> <ul style="list-style-type: none"> <li>• Strong and durable</li> <li>• High absorption</li> <li>• Saves time and money</li> <li>• Wet and dry cleaning</li> <li>• Solvent resistant</li> <li>• Extended use</li> <li>• Textile replacement</li> <li>• Wiping up grease and oil</li> <li>• Waterborne compatible</li> </ul>	<p><b>Specialist cloths</b> Extended Use Specialty</p> <ul style="list-style-type: none"> <li>• Polishing</li> <li>• Cleaning</li> <li>• Sensitive cleaning</li> <li>• Low linting</li> <li>• Solvent resistant</li> <li>• Great with waterborne solvents</li> </ul>

# foodservice

improved food safety and hygiene

Tork has solutions for all the different areas and tasks found in foodservice environments.

## food preparation

Cleaning surfaces and spills during food preparation can be a challenge. The Tork Premium 530 and Advanced 440 are ideal wipers as to quickly absorb water, oils, fats and other liquids. The large Top Holder (W4) is touch-free and provides easy access to refills.

## heat resistance

Carrying hot plates, pot handles and pans is a constant need in a busy

kitchen. The Tork Premium 530 wipers provide protection from heat. The top holder dispenser (W4) protects the wipers and provides efficient one sheet dispensing.

## cleaning surfaces & utensils

Removing oil and grease from surfaces using solvents is necessary in kitchens, requiring a wiping system that's up to the task. The highly absorbent Tork Premium 530 wiper provides the perfect

cleaning solution with cleaning solvents and sprays in combination with the high capacity large centerfeed dispenser (W2).

## color-coded and sanitizing wipers

Tork foodservice wipers are washable and reusable and are color-coded to help prevent cross-contamination. Many of our foodservice wipers include Microban® and QuatSafe™ technology.

# Foodservice Environments

# automotive

professional tools for a quality result and finish

From heavy duty to specialty cloths, high-performance Tork Wipers offer superior quality and cost-saving dispensing solutions for a range applications.

## cleaning surfaces prior to painting

Absolute care is needed to ensure the surface is completely clean prior to painting. Tork Premium Specialty Clothes work well with solvents while still feeling like a cloth. The Top Holder dispenser (W4) provides an ergonomic and easy-to-load solution so cloths are close-at-hand. The Top Holder can be mounted with a magnet kit to a paint booth wall or tool cabinet for easy access. Using one-at-a-time die-cut sheets through the W4 helps keep lint to a minimum.

## polish and painted surfaces

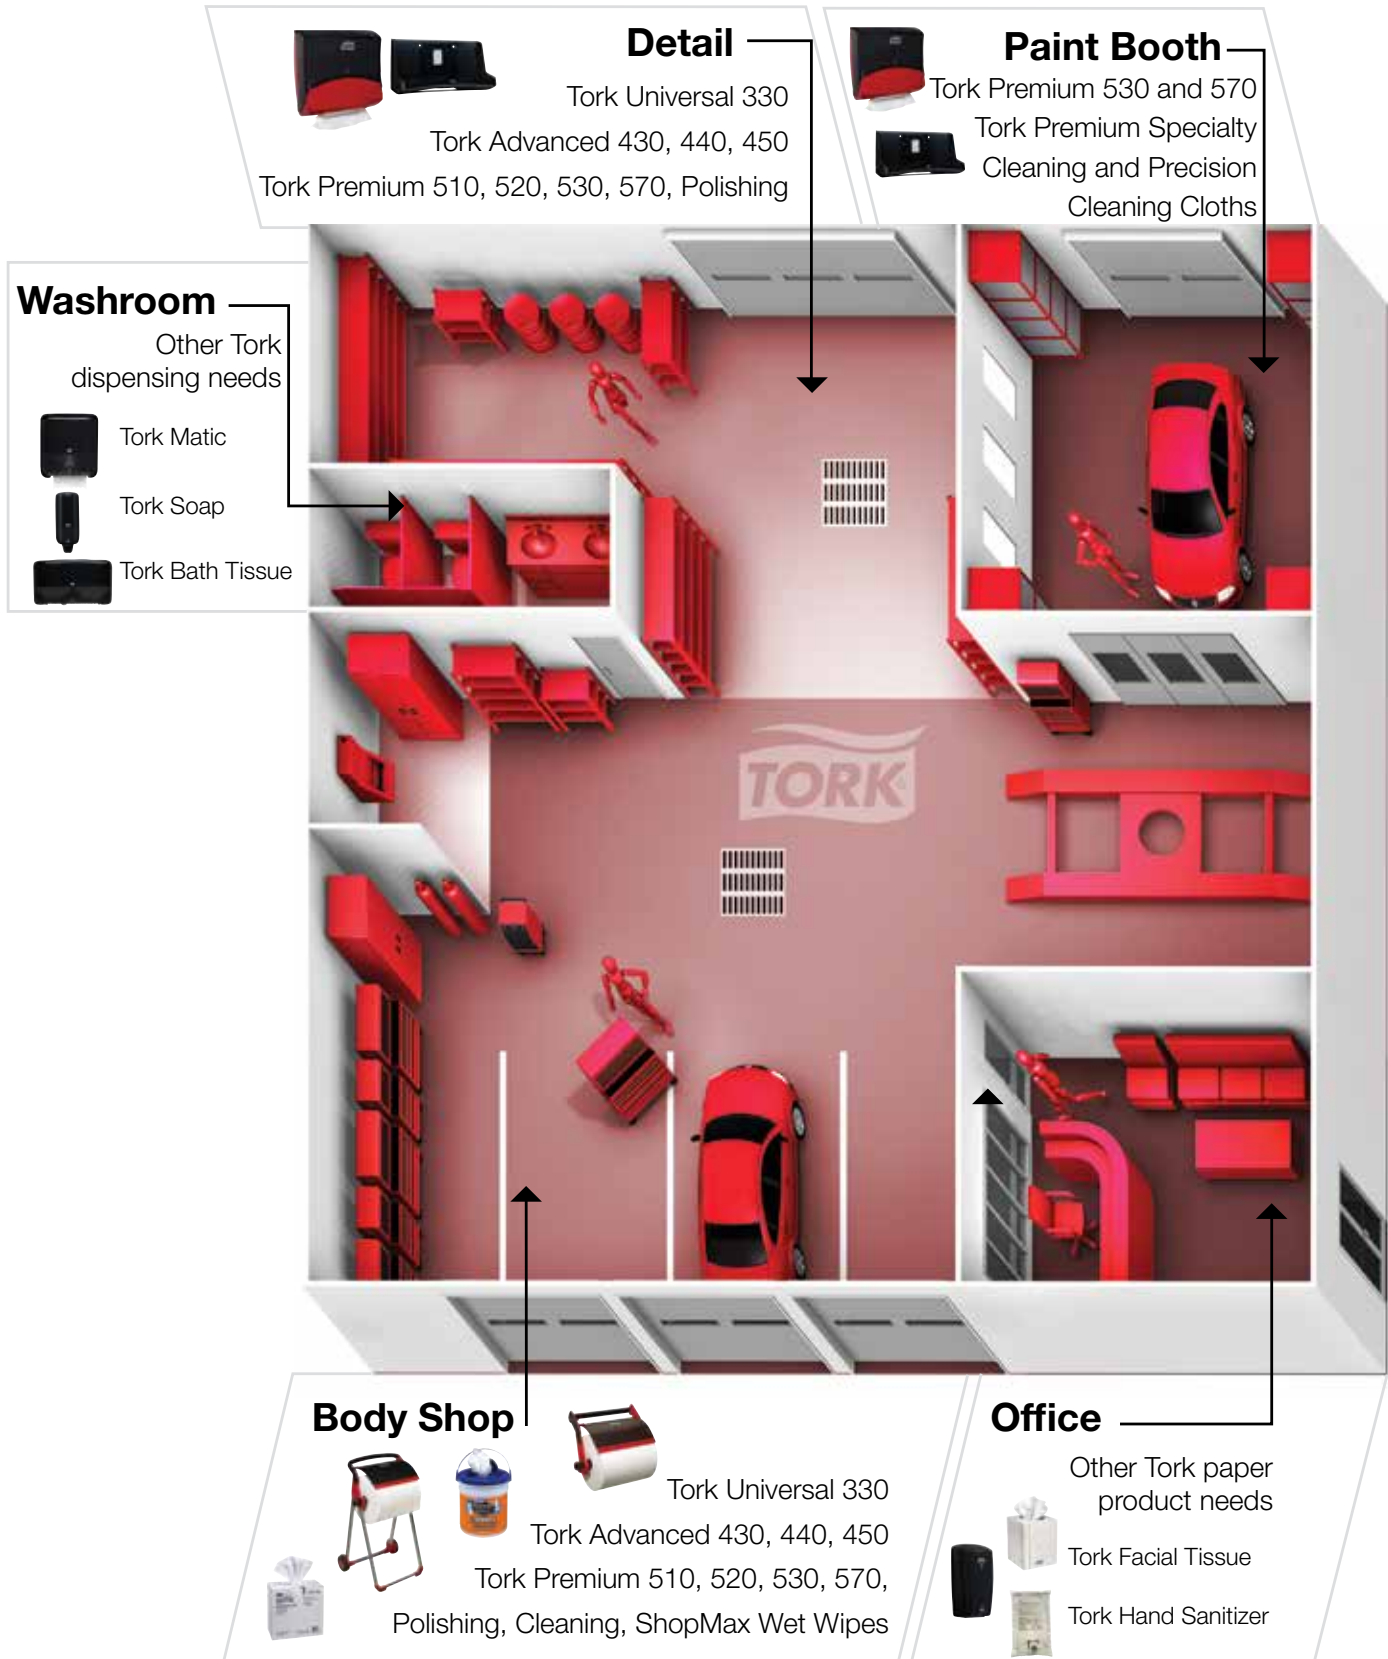

The high-capacity centerfeed dispenser (W2) protects individual wipers from dirt, so you can start polishing with confidence. Tork premium polishing cloth's honeycomb structure smoothly removes dry polishing residue and then releases it efficiently and evenly for a perfect finish. The W4 Top Pack dispenser is ideal for one-at-a-time, controlled dispensing and comes with an optional magnet kit for mobile mounting -- perfect for when you have to move from station to station.

# industrial

improved quality and productivity

Tork Wipers, cloths and dispensers are designed to meet all the wiping needs in industrial and manufacturing environments.

## cleaning equipment with solvents

Cleaning grease off engines and parts is a common task in transportation and industrial environments. It's important to have a wiper that effectively stands up to and works with today's cleaners and solvents. Tork Premium 530 and 520 wipers with the floor stand are a perfect solution for these jobs, providing a high- capacity solution that is mobile and allowing you to always have product close by.

## wiping spills and metal shavings

Work areas frequently need to be wiped down to remove dirt, grease or metal shavings. It is important to make sure hands are protected from cuts or scratches, which requires a bulky and protective wiper. Tork Premium 530 and 520 and Advanced 450 wipers are highly absorbent and thick to protect users hands from metal shavings while still effectively cleaning up any spills or dirt. In combination with the W1 wall stand, this solution will increase productivity.

## cleaning tools, wiping hands and face

In a dirty work environment, employees need something to wipe their hands and face with throughout the day. Cleaning tools involves removing oil, grease or soil. Tork Premium 530 Multipurpose Cloths and Tork Advanced 450 Wipers provide good absorption and hand protection while being flexible enough to reach and clean small surfaces. The Top Holder dispenser (W4) protects the wipers and provides one-at-a-time dispensing reducing over consumption while offering a clean sheet every time.

# healthcare

improved hygiene and safety

Tork wipers and dispensers are the choice of professionals in healthcare and laboratory environments.

## wiping up spills and cleaning

When spills occur, fast action is often required to minimize the safety and hygiene risks. The folded wiper dispenser (W4) hygienically protects the wipers and dispenses one-at-a-time, while the Tork Advanced 440 wiper mops up spills quickly and cleans work surfaces fast and efficiently.

## surface and object cleaning

Surface and object cleaning is important in preventing the transmission of bacteria. The Top Holder dispenser (W4) combined with Tork Advanced 440 or Premium 510 wipers provide controlled dispensing to manage costs, while providing the wiper needed to complete the task.

## patient and hand hygiene

Frequent hand washing and patient bathing requires wiping dispensers that dispense hygienically and are easy to clean. The top holder dispenser (W4) encourages the highest level of hygiene at all times. The soft Premium 510 and Advanced 430 wipers are the perfect hygienic solution for patient bathing.

**MICROBAN®** technology – protects to inhibit growth of odor-causing bacteria, mold and mildew.

**Quat-Safe™** technology – prolongs the life of sanitizing solution allowing for cleaner surfaces and reduced risk of contamination.

Regular foodservice cloths place demands on the chemistry in your sanitizer solution and therefore act as a “pump” that extracts the quaternary ammonium chloride and chlorine ions from the holding solution. When rinsed, the ions, which are not firmly attached to the cloth, are released with the water and bio-load and are therefore discarded. Outside studies show that traditional and non-woven cloths immediately reduce quaternary sanitizer solutions by as much as 50% and 95%, respectively. Solutions used with Tork-Q Foodservice Cloths remain consistently above 200 PPM for well over four hours when managed properly.
