NOW MADE OF HYDROKNIT® MATERIAL**

Cloth-Like Performance is Ideal Replacement For Rags

ROSWELL, Ga. (June 18, 2001) — In a continuing effort to provide superior products in the versatile wiping category, Kimberly-Clark Professional has completed its transition of KIMTUFF®, TERI® and TERI® PLUS Wipers from scrim reinforced material (SRM) to WYPALL® X60 TERI® Wipers made with HYDROKNIT® Fast-Absorbing Material. All WYPALL® X60 TERI® Wipers will now be made with the bulkier, cloth-like HYDROKNIT® Material.

HYDROKNIT® is Kimberly-Clark's most advanced wiper material. It is manufactured using jets of water to bond soft absorbent paper to extra-strong non-woven fabric. Using this technology, WYPALL® X60 TERI® Wipers are now stronger and faster absorbing than SRM wipers.

WYPALL® X60 TERI® Wipers are strong and durable when wet or dry. They are reinforced for extra scrubbing power, absorbency and tear-resistance. Because there are no adhesives or binders, nothing is left behind. While the wipers are tough enough for big jobs, they are also soft enough to be used on face and hands.

WYPALL® X60 TERI® Wipers can be used again and again for a variety of tasks, including:

- Applying thinners and solvents
- Cable lubricant application and removal
- Adhesive cleaning
- Removing grease and soil in tight areas and crevices

WYPALL® X60 TERI® Wipers are available in a variety of formats:

- POP-UP® Box, with 125 wipers measuring 24.8cm x 42.5cm (9.75" x 16.75")
- BRAG® Box, with 180 wipers measuring 30.5cm x 42.7cm (12" x 16.75")
- Quarter-fold packs, with 76 wipers measuring 33.5cm x 34.2cm (13.2" x 13.5")
- Flat sheet packs, with 150 wipers measuring 33.0cm x 41.2cm (13" x 16.25")

- Small rolls, with 130 perforated wipers measuring either 24.8cm x 34.0cm (9.6" x 13.4") or 49.4cm x 34.0cm (19.5" x 13.4")
- Jumbo rolls, with 1,100 wipers (measuring 30.5cm x 34.0cm) on each roll

As with all Kimberly-Clark Professional Products, WYPALL® X60 TERI® Wipers come with the "No Questions Asked" guarantee, which reimburses end-users up to \$1,000 if the initial product purchased does not meet expectations.
