

KIMBERLY-CLARK INTRODUCES NEW WIPING CLOTH FOR HEALTH CARE USE

ROSWELL, Ga. (December 5, 2000) — Kimberly-Clark's Away From Home Sector has launched WYPALL® L30 ECONOMIZER® Wipers for health care settings. The new wipers are tough for everyday housekeeping tasks, yet soft and gentle enough for patient cleansing.

The wipers are made with a unique double re-crepe fabric technology, which allows the wipers to stay strong, even when wet. A fully enclosed poly-wrap package helps to protect unused wipers from soils and splashes.

WYPALL® L30 ECONOMIZER® Wipers are versatile enough to be used for:

- Patient wash cloth
- Heavy duty cleanup
- Contamination control areas
- Emergency room cleanup
- General maintenance

The white wipers are available in the following sheet sizes and formats:

- Quarter-fold (12.5"x14.4")
- POP-UP® Box (16.4"x9.8")
- Center Pull (9.8"x15.2")
- Center Pull, Jr. (8"x15")

As with all Kimberly-Clark Away From Home Sector products, WYPALL® L30 ECONOMIZER® Wipers come with the "No Questions Asked" Guarantee, which reimburses users up to \$1,000 worth of free product if the initial product purchased does not meet expectations.

For more information on WYPALL® L30 ECONOMIZER® Wipers, contact your Kimberly-Clark representative or call 1-888-346-GOKC (4652).

Kimberly-Clark Corporation is a leading global manufacturer of tissue, personal care and health care products. The company's global brands include HUGGIES®, PULL-UPS®, KOTEX®, DEPEND®, KLEENEX®, SCOTT®, KIMBERLY-CLARK®, TECNOL®, KIMWIPES® and WYPALL®. Other brands well
