

# FOUNTAIN DRINK STATION

## Tools Needed

- Properly Equipped Dilution Center
- Pans or Utility Buckets
- Clean Towels
- Drink Station Brush
- Quat Test Strips (QT-10 or equivalent)

## Products Needed

Dawn® Manual  
Pot and Pan  
Detergent

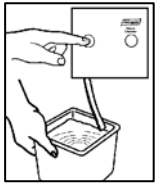

Clean Quick®  
Broad Range  
Quaternary  
Sanitizer

**FREQUENCY OF CLEANING:** *Nightly.*

**SPECIAL DIRECTIONS FOR THIS TASK:** *If sensitivity to cleaning solutions is a concern, use disposable gloves.*

### STEP 1

- Fill a clean utility bucket with warm Dawn solution from a freshly prepared 3-compartment sink by dipping the utility bucket into the solution.
- Fill another clean utility bucket with rinse water from the sink.

- Fill another clean utility bucket with sanitizer solution from the 3-compartment sink by dipping the utility bucket into the solution.

**NOTE:** *Ensure the sanitizer solution is 150-400 ppm by testing the solution with test strips following the Testing Quaternary Sanitizer Solution Procedure.*

### STEP 2

- Turn the drink station off.

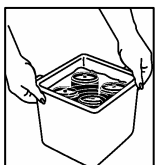

### STEP 3

- Wipe down drink station from top to bottom using a clean towel and warm water.
- Run clean towel behind each drink head; wipe off stainless steel around and under the dispensers.

### STEP 4

- Carefully remove nozzle/diffuser assembly and drain grate.
- Dip a drink station brush into the warm water and clean the cone of the nozzle where syrup deposits and mold can form.
- Soak nozzle/diffusers in warm water only.

### STEP 5

- To eliminate buildup, wipe down valves and levers with clean towel and warm water.

### STEP 6

- Wipe down drink station area, including all stainless steel and shelves, with Dawn solution.

### STEP 7

- Wipe down drink station area, including all stainless steel and shelves, with rinse water.

### STEP 8

- Wipe down drink station area, including all stainless steel and shelves, with sanitizer solution.

### STEP 9

- Pour remaining warm Dawn solution down the drink station drain.

### STEP 10

- Wipe out tray and replace drain grate.
- Turn the drink station on.

### STEP 11

- If used, remove and discard disposable gloves.
- Wash hands before returning to service area.
